NEIGHBOUR WEEK!

#PEIGoodNeighbours

DO THE "NUDGE YOUR NEIGHBOUR" CHALLENGE

Inspire fellow community members to perform neighbourly acts by doing one yourself! Maybe it's taking your neighbour's waste cart to the end of the driveway; or starting a Facebook group where your neighbours can share neighbourhood happenings.

1. Take a photo of your own neighbourly deed.
2. Post it to your personal social media account on Facebook or Instagram using the hashtag #PEIneighbourweek and you will be eligible to win prizes (make sure your account is set to public viewing).
3. Tag the community member you want to nudge to do the same.

NEIGHBOUR WEEK!

#PEIGoodNeighbours

MAKE A NEIGHBOURLY NOMINATION!

Is there someone in your neighbourhood who always leaves muffins on the doorstep of new neighbours?

Does your municipality host community activities that bring neighbours together?
Does a church, non-profit organization or business you know step up to make life better for community members?

Whether it's a neighbour, your municipality, an organization or business, recognize them by making a neighbourly nomination.

1. On your personal Facebook or Instagram page, share an example of how the individual, group or organization demonstrates neighbourliness here on PEI. Feel free to include a photo.

2. Use the hashtag #PEIneighbourweek in your post and the individual, group or organization you are nominating will be eligible to win prizes (make sure your account is set to public viewing).
